

# Eagle Scout Projects with The Utah Refugee Connection

**Please review and print this page.**

1. Learn more about the people you are serving by watching **Finding Home: Utah's Refugee Story**, produced by KUED.
2. Learn about some of your fellow scouts in South Salt Lake by reading this article, '**Refugee scout troop to visit their native country**' from KSL.
3. Plan to attend a Refugee Cultural Night hosted by Granite School District with your family, troop, or friends. For more info, click "Learn" on our website.
4. Fill out our **application**.
5. After you submit the form call our executive assistant, Anne Parkes Armistead, at **615-335-3416** to set up your project.
6. You will be required to fill out paperwork through your Boy Scouts of America program. This will include several pages which we will need to sign, indicating that your project is legitimate. Email all paperwork to **annep.armistead@utahrefugee.org**.

**Please note: Per the request of Boy Scouts of America, the Eagle Scout candidate must be the primary point of contact (make the calls, submit the paperwork, etc.)**
