UTAH REFUGEE CONNECTION in 2022

MISSION STATEMENT:
Creating meaningful connections between refugees and the established community. We partner with and support many groups who serve refugees in Utah. We fill many gaps in services.
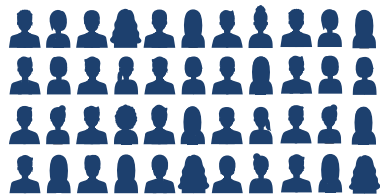

helping people SERVE refugees

Our goals include helping the general community have meaningful ways to LEARN ABOUT, SERVE and GIVE to local refugees. Additionally, we support and incentivize refugees to help themselves. Our goal is to help refugees to live self-sufficient and happy lives.
